

Little Things
The Icarus Account

Tuned Down Half A Step

This is my first tab, it s not entirely correct, but it goes with the song well.

The chords are as followed all the way through:

G, C/G, D?

```
3---3---2-----|
3---3---3---2h4----|
0---0---2-----2p0-2| Pretty sure this is just repeated mostly through out the
0---2---4-----| song.
2---3---x-----|
3---x---x-----|
```

There are over smaller melodies throughout played by a second guitar.
