The Incredible String Band

A **D** **E** **A**

Who s that knocking on my door?

D **E** **A**

Can t see no-one right now.

A **D** **E** **A**

Got my baby here by me,

D **E** **A** **A7**

can t stop, no, no, not now....Oh...

D

... Come a little closer to my breast,

G

I ll tell you that you re the one I really love the best,

D **F#** **G**

and you don t have to worry about any of the rest,

A **A7** **D**

cause everything s fine right now.

A **D** **E** **A**

And you don t have to talk and you don t have to sing,

D **E** **A**

You don t have to do nothing at all;

A **D** **E** **A**

Just lie a-round and do as you please

D **E** **A** **A7**

you don t have far to fall... Oh...

D

... Come a little closer to my breast,

G

I ll tell you that you re the one I really love the best,

D **F#** **G**

and you don t have to worry about any of the rest,

A **A7** **D**

cause everything s fine right now.

A **D** **E** **A**

Oh, my, my, it looks kind of dark.

D **E** **A**

Looks like the night s rolled on.

A **D** **E** **A**

Best thing you do is just lie here by me,

D **E** **A** **A7**

of course only just until the dawn... Oh...

D

... Come a little closer to my breast,

G
