

Everythings Fine Right Now
The Incredible String Band

B **E** **F#** **B**
Who s that knocking on my door?
E **F#** **B**
Can t see no-one right now.
B **E** **F#** **B**
Got my baby here by me,
E **F#** **B** **B7**
can t stop, no, no, not now....Oh...

E
... Come a little closer to my breast,
A
I ll tell you that you re the one I really love the best,
E **G#** **A**
and you don t have to worry about any of the rest,
B **B7** **E**
cause everything s fine right now.

B **E** **F#** **B**
And you don t have to talk and you don t have to sing,
E **F#** **B**
You don t have to do nothing at all;
B **E** **F#** **B**
Just lie a-round and do as you please
E **F#** **B** **B7**
you don t have far to fall... Oh...

E
... Come a little closer to my breast,
A
I ll tell you that you re the one I really love the best,
E **G#** **A**
and you don t have to worry about any of the rest,
B **B7** **E**
cause everything s fine right now.

B **E** **F#** **B**
Oh, my, my, it looks kind of dark.
E **F#** **B**
Looks like the night s rolled on.
B **E** **F#** **B**
Best thing you do is just lie here by me,
E **F#** **B** **B7**
of course only just until the dawn... Oh...

E

... Come a little closer to my breast,

A
I ll tell you that you re the one I really love the best,

E **G#** **A**
and you don t have to worry about any of the rest,

B **B7** **E**
cause everything s fine right now.
