Transcribed by JD Roberts, May 2013

E F#m A B
I don t know where the money s gone, or where it s gonna be
E F#m A B
Not much to show for the work that I ve done, but what else do I need

```

:
F#m          E          B
a night on the river is all I Need
A          C#m          B
A cool drink of water is all I need

```

The bottom of the barrel
I know I ve had my share
Tastes like it always does
No surprises there

Chorus

When I think about old times
I laugh so hard I cry
Got turned around along the line
But I still enjoy the ride

Chorus
