

**The Hitchhiker**  
**The Infamous Stringdusters**

Really fun tune. You might want to key it down to E for ease of playing. - JD  
ROberts May 2013

Lead in **Bb F Bb G**

**G Bb F**

I heard you favored another

**Bb F G**

And to me it came as no surprise

**G Bb F**

I had all I can take of feeling this way

**Bb F C**

knowing I was gone beyond goodbye

**G Bb F**

I hear a voice in the distance

**Bb F G**

Crying like a sorrowful ghost

**G Bb F**

There s a dark sky moving behind me

**Bb F C**

And I m riding my thumb by the road

**C F Bb**

Buddy can you take me to Virginia

**Bb F C**

It s a long time now I ve been gone

**C F Bb**

Or take me to the coast of California

**Bb F C**

There s a cold wind blowing here at home

**C Bb(m?)**

Anywhere your restless wheels are rolling

**Bb Dm**

Is better off than staying here alone
