

Those Whove Gon On
The Infamous Stringdusters

The dusters play this in F. I ve transcoded it down to E for ease of playing.
Really fun tune. - JD Roberts

Intro

G D A E

E **A** **E**
Well it s more than a story of the places I ve been
E **A** **E**
It s a lifetime of pictures in my mind then I m gone again
G **D** **C** **A**
I wish you could see me now, and I feel that you can somehow
E **A** **E**
Well you never had a chance to see me on the stage
E **A** **E**
Now I try to reach out to You oh miss Page
G **D** **C** **A**
I wish you could see me now, and I know that you can somehow
D **E** **A** **E**
And we all cry out for those whove gone on
D **E** **A** **E**
Ones we hold so dear, but now are gone
D **E** **A** **E**
Lookin for a sign to tell us we ve done right
G **A** **E**
Light our weary pathways through the night

The band plays this in F - a half step makes open chords easier if you re just
trying to
learn it. Great tune!
