G D G
but as for me and grandpa we believe

Em D
She d been drinking too much egg nog
and we warned her not to go **G**
but she forgot her medication **C**
G D G
and she wandered out the door into the snow

When we found her Christmas morning
at the scene of the attack
there were hoofprints on her forehead
and incriminating claw marks on her back

CHORUS
It s not Christmas without grandma
all the familys dressed in black
and we just cant help but wonder
should we open up her gifts or send them back !

CHORUS
Now were all so proud of grandpa
he s been taking this so well

see him in there watching football

drinking beer and playing cards with cousin mel

CHORUS

Now the goose is on the table

and the pudding made of fig

and the blue and silver candles

that would just have matched the hair in grandmas wig

CHORUS

I ve warned all my friends and neighbors

better watch out for your selfs

they should never give a license

to a man who dirves a sleigh and plays with elfs !

CHORUS

Have fun

Tim
