Old Billy Joe and Tommy, well, they went a little far..  
they were sitting in the back seat blowing on the siren,  
in somebodys police car.

#3.

So, you see, your honour, it was all in fun.

That little bitty track-meet down on the main street,  
was just to see if the cops could run.

Well, they run us in to see you, in an alcoholic haze.  
I can sure use those thirty days to recover from the party.

[Chorus]

Could have been the whiskey, might have been the gin..

could have been the three or four six-packs,

I don t know, but look at the mess I m in.

My head is like a football, I think Im gonna die.

Tell me, me, oh, me, oh, my..wasn t that a party?
