

Blue Eyes Turned To Grey
The Jakes

Bm G D

Bm G D
Every time a way to find you I see you in my dreams
Bm G D
It s like a roman candle that never meant to split the seams
Bm G D
What is this now i thought your eyes were cerulean blue
Bm D
But now the gray I m finding so is our love
D
There s not a room for two so
D G Bm
Every time I look in your eyes, i see the... for two
D G Bm
Every time I look in your eyes, i see cerulean blue
D G Bm D G Bm

Bm G D
Holding circles but they never seem to close
Bm
I m keeping it straight
D
But these lines they never seem so close
D G Bm
Every time I look in your eyes, i see the... for two

Bm G
Are we fools or are we the dead I really don t know I don t care or FIGHT
Bm G D
Where do we go on this matter yeah
Bm G
Will little things smother us I was down for two-fifty
