

Lilo
The Japanese House

[Verse 1]

G **Am**
I needed someone to depend upon
Bm7 **Em**
I was alone, I was emotional

Searching for the right emoticon
Am **G**
To expand my mental lexicon

And Gemma told me that she met someone
Bm7 **Em**
It was the person I d been counting on
Bm7 **Em**
It felt good, it felt transitional
Am **G**
A feeling I d been waiting on

[Chorus]

G **Am**
You were floating like a lilo
Em **Am**
With your eyes closed, going where the tide goes
Bm7 **C** **D** **G**
Caught in flux: you drifted till you hit the sides
G **Am**
Hold my breath another minute
Em **Am**
I can keep my head: there s nothing in it
Bm7 **C**
I m a patient wave
Bm7 **G**
And it s an easy ride

[Verse 2]

G **Am**

Every move was just habitual

And life was just a ritual

Bm7 **G**
And it's an easy ride
