

**Always Sad**

**The Jesus and Mary Chain**

Intro: **C**

Verso 1:

**F**                    **G**                    **C**  
You ain t like those other girls  
**F**                                    **G**                                    **C**  
There s nothing like you in this world  
**F**                    **G**                                    **C**  
You got something more than curls  
**F**                    **G**                                    **C**  
You ain t like those other girls

Verso 2:

**F**                    **G**                                    **C**  
You ain t like those other guys  
**F**                                    **G**                                    **C**  
There s something different in your eyes  
**F**                    **G**                                    **C**                    **A#**                    **Am**  
You got something hard to find  
**F**                    **G**  
You ain t like those other

Riff:

**C**                    **A#**                    **F**  
Guys  
**C**                    **A#**                    **F**

Refrão:

**Em**                    **F**                    **G**  
Think I m always sad  
**Em**                    **F**                    **G**  
Think I m always sad  
**Em**                    **F**                                    **G**  
Think I m always gonna be sad...  
**Dm**                                    **F**                    **G**  
Cause you re the best I ve ever

Riff:

**C**                    **A#**                    **F** (4x)  
Had

(**G**)

Ponte:

**F**                    **G**                    **C**            **A#**            **Am**  
A million miles between us now  
**F**                    **G**  
Why can't we just work things

Riff:

**C**            **A#**            **F** (4x)  
Out

Refrão:

**Em**                    **F**            **G**  
Think I'm always sad  
**Em**                    **F**            **G**  
Think I'm always sad  
**Em**                    **F**                                    **G**  
Think I'm always gonna be sad...  
**Dm**                                    **F**            **G**            **C**  
Cause you're the best I've ever had
