

On The Wall
The Jesus and Mary Chain

C# **F#**
Unlike the mole
Not in a hole

And I can't see anyway

Just like a doll
I'm one foot tall

But dolls can't see anyway

The frozen stare
The clothes and hair

These make me taste like a man

Tied to a door
Chained to a floor

An hour glass grain of sand

Swim in the sea
Swim inside me

But you can't swim far away

I never grew
Covered up by you

And nothing grows anyway

Life in a sack is coming back

I'm like the clock
I'm like the clock
I'm like the clock
On the wall...

[Repeat **C# F#** to the end...]
