

500 Miles  
The Journeymen

500 Miles (1961)

The Journeymen:  
Scott McKenzie  
John Phillips  
Dick Weissman

The song is right here - <http://www.youtube.com/watch?v=9cgQJzJsM5U>

The song is originally played on the guitar and the banjo. Here s how I play the song on the guitar.

It sounds better with two guitars, so find a friend who plays the guitar as well.
