[Verse 1]

C **D**
I found you here right beside me
C **D**
Saying all the things youâ€™ve never done
C **D**
Thereâ€™s not much time than less to say
C **D**
Oh please, just come away
C
You could be my lady
D **G**
And weâ€™ll walk the streets
C
For no reason maybe
D **G** **C**
Just till you see wonâ€™t be so lonely
D **C** **D**
When youâ€™re with me you wonâ€™t ever be so lonely

[Chorus]

Am **D**
Sheâ€™s well known to police
Bm **Em**
She looks like a riot
Am **D** **Bm** **Em**
Always takes what she needs and leaves the rest behind
Am **D**
All this love would kill me
Bm **Em**
But I donâ€™t think I might
Am **D**
Blame it on the way
Bm **Em**
We donâ€™t even care
Am **D** **C** **D** **C** **D**
We gonna be alright, alright, yeah

 Only when we dream we just might
C **D** **C** **D**
 Find a way to make sense of everything we seen

 You could be my lady
D **G**
 And weâ€™ll walk the streets
C
 For no reason maybe
D **G** **C**
 Just till you see wonâ€™t be so lonely

 When youâ€™re with me you wonâ€™t ever be so lonely
