

**If You Dont Pull
The Just Joans**

capo on 1st

[chorus]

if you don t pull **Am**
then you have to walk home on your own **F**
if you walk home on your own **C**
then you gotta wake up on your own **G**

if you don t pull
then another weekend slips away
and it s a long, lonely week
til another weekend

[verse 1]

I hate this place and all these people **Am** **F**
I hate most of my friends **C** **G**

I m sick and dull and full of lager
Desperate to kiss anyone at all

[bridge]

What s your name? **F**
(What s your name) **G**
I like that name **F**
(I like that name) **G**
Do you wanna drink? **F**
(Do you wanna drink) **G**
What s your name again? **F**
I keep forgetting **G**

[chorus]

[solo]

[verse 2]

when we went out I wasn't happy
and I stared at all the girls
and wondered what they looked like naked
well now the truth is harrowingly clear

[bridge]

I wanna be
(I wanna be)
On my satee
(On my satee)
With someone who
(With someone who)
Won't be leaving without saying goodbye
