Cover the Road

**G** **C**  
You might say you're pretty

**G**  
You might say you're free

**C**  
Life may be so easy

**G**  
Love may be so free

**D** **C**  
Cover the road cover the road

**G**  
Till the end of times

**C**  
You might say you're ugly

**G**  
You might say you're chained

**C**  
Life may be so dreary

**G**  
Love may be a shame

**D** **C**  
Cover the road, cover the road

**G**  
Till the end of times

**D** **C**  
Cover the road, cover the road

**G**  
Till the end of times

Life is a highway

**C**  
You're sitting on the wheel

**G**  
And you decide the speed

**C**  
Here is the easy and there is the hard way

**G**  
It's either one

**D** **C**  
Cover the road, cover the road

**G**

Till the end of times

**D**

**C**

Cover the road, cover the road

**G**

Till the end of times
