

**Fell In Love With An Alien**  
**The Kelly Family**

I ve studied this song for years and months, and I finay got it! its very hard to play on a regular el-guitar so I prissiate to play it on my steel-guitar.... but this is the tab for a regular guitar..... good luck..

hell!!

here it goes..

Dropped D-tuning

ref.

-9-x--x---x-----9----4-----  
-8-x--x---x-----9----4-----  
-8-12-x---JA-JA--9--Whoooah!-----  
-8-x--x---x-----7----3-----  
-8-x--x---x-----2----3-----  
-8-x--x---x-----9----3-----  
I fell in love with an alien...nanana

not dropped D-tuning!.... you have to tune your guitar fast enough to play the verse...  
you got about 3 seconds to toune it!! this is hard

verse.

---1---0--xH4-----  
---1---0--1P8-----  
---2---0--3H19-----  
---2---0--x-----  
---3---0--6-----  
---78--0--2-----

repeat this 42 times and scream ass-fucking donkey very loud!

this is everything.... don t forget to tune your guitar!

comments: \*  
remember: i have the book...so do not complain!!
