

**Looking For Love**  
**The Kelly Family**

I play this song with capo on the 3rd fret, but you can play it with capo on 2nd or 1st, or even without it as long as it suits your voice.

**D**  
Looking for love  
**Em** **A**  
But you just don` t seem to give it  
**Em** **A**  
I` m the one who mostly needs it  
**D**  
Pushing me around  
**G** **D**  
I` m so hungry for your love

**D**  
When you came around  
**Em** **A**  
You pretend that you don` t see me  
**Em** **A**  
Will you know that i` m who need you  
**D**  
Keeping me awake  
**G** **D**  
I` m so hungry for your love

**Em** **G** **D**  
Honey shows in the shadows that you live  
**Em** **G** **A**  
I` m so afraid you don` t seem to care

**D**  
I was looking for love  
**Em** **A**  
But you just don` t seem to give it  
**Em** **A**  
Is anyboby there who can give it  
**D**  
Someone help me out  
**G** **D**  
I` m so hungry for your love

**D** **G**  
Won t let go of your soul

**Em** **A**  
Won t let go of youself

**D** **G**  
Won t let go of your soul

**Em** **A**  
Won t let go of yourself

**D** **G**  
With the happy love we can follow

**Em** **A**  
But I need right now

**D** **G**  
Won t let go of your soul

**Em** **A**  
Won t let go of youself

**D** **G**  
Won t let go of your soul

**Em** **A**  
Won t let go of yourself

**G** **D**  
Im so hungry for your love
