

A Matter Of Time
The Killers

My first attempt at a Killers song chords

Standard Tuning:

No Capo

Em

You re looking for a way out

Bm A Em

I can feel it

Em

Come on, show me where it hurts

Bm A Em

Maybe I can heal it

Em

Your feelings are your own

Bm A Em

Now you keep em under lock and key

Em

You got me drivin through the streets

Bm A Em

For an answer to the mystery

G D A

The world s still weak on Charleston Avenue

G D A

Outside that vacant Starlight Motel I see you

G D

Laughing with your girlfriends

A D A Em

Not a care in the world, not a burden on your mind

Em

It was a matter of time

Em

There s a panic in this house

Bm A Em

and it s bound to surface

Em

Just walkin through the front door

Bm A Em

makes me nervous

Em

It s creepin up the floorboards,

Bm A Em

got me wondering where I stand

Em

I cannot put out the fire,

Bm A Em

I got a book of matches in my hand

G D A
When we first met, headstrong and filled with doubt

G D A
Made just enough hustling tables that summer to take you out

G D A D
I was fallin back on forever when you told me about your heart

A Em
You laid it on the line

G D
Laughing with your girlfriends

A D A G
Not a care in the world, not a burden on your mind

(You laid it on the line)

G A D A G
It was just a matter, It was a matter of time

G A
We found ourselves a place

D G
We belong in it forever

D A
Ain t that what it s all about?

G A
Make the promise and keep it

D G
Come hell or high water

D A G
We d figure it out

G A
It was the night, it was the moon

D G
It was the green grass in the garden

 G A
The victory and the sin

G A
I know you re weary, look at me

D G
Flailin in the corner

 G
Here s the towel

A G
Go on, throw it in

G D G
It was a matter of time

G D A
Can t you see that it s tearing me up inside?

G A
Look what s laying at our feet

 G A
That s the wreckage of broken dreams

 D A
And burned out

G A G
And it s here on our street
