On the field I remember you were incredible  
Hey shut up, hey shut up, yeah  
On the field I remember you were incredible  
Hey shut up, hey shut up, yeah

          E                  F#          A  
On the match with the boys, you think you re all alone  
          E                  F#          A  
With the pain that you drain from love  
          E          F#          Dm                  B  
In a car with a girl, promise me she s not your world

Cause Andy, you re a star

Leave your number on the locker and I ll give you a call  
Hey shut up, hey shut up, yeah  
Leave your legacy in gold on the plaques that line the hall  
Hey shut up, hey shut up, yeah

          E                  F#          A  
On the streets, such a sweet face jumping in town  
          E                  F#          A  
In the staff when the verdict is in  
          E          F#          Dm                  B  
In a car with a girl, promise me she s not your world
