Intro:

G Em Bm G
G Em Bm G

Verse 1:

G Em Bm G
The unknown distance to the great beyond stares back at my grieving frame
G Em Bm G
To cast my shadow by the holy sun my spirit moans with a sacred pain
G Em Bm G
And it s quiet now, the universe is standing still

Chorus 1:

G Em Bm G
There s nothing I can say, there s nothing we can do now
G Em Bm G
There s nothing I can say, there s nothing we can do now

Fill:

G Em Bm G

Verse 2:

G Em Bm G
And all that stands between the soul's release, this temporary flesh and bone
G Em Bm G
We know that it s over now, I feel my faded mind begin to roam
G Em Bm
G
Every time you fall and every time you try, every foolish dream and every compromise
G Em Bm
G
Every word you spoke & everything you said, everything you left me rambles in my head

Chorus 2:

G Em Bm G
There s nothing I can say, there s nothing I can do now
G Em Bm G
There s nothing I can say, there s nothing I can do now

Bridge:

G **Em** **D/F# Bm** **Em** **F#**

Up above the world so high

G **Em** **Bm**

G

And everything you loved and every time you try, everybody s watching, everybody cry

G **Em** **Bm** **G**

Stay, don t leave me, the stars can t wait for your sign, don t signal now
