Bb

Gb

Oh, Jennifer, you know I always tried

G Ab A Bb

Before you say goodbye

A A A A A Ab

Leave the bourbon on the shelf
And I ll drink it by myself
And I never liked your hair or those people that you lie with
But I m not satisfied
Until I hold you tight
And I love you endlessly,
Darling don t you see I can t be satisfied
Until I hold you tight

Leave the bourbon on the shelf
And I ll drink it by myself
And I love you endlessly,
Darling don t you see
I m not satisfied
