

Out Of My Mind  
The Killers

Em  
We re building up a kingdom  
F#m  
We pray it never falls  
Em  
I can lose my temper  
F#m  
You can put up walls

Bm F#m G  
And I hate when it gets serious  
Bm F#m G  
It s like we re going blind  
Bm  
Take the needle off the record  
F#m G  
I can t stand another chorus  
F#m G  
About Juliet s control over mystified mankind

**Em** **A**  
 But I can't get you out of my mind  
**Em** **D**  
 To get you out of my bed  
**Em** **A**  
 To get you out of my heart  
**Bm**  
 And my head

Bm F#m G D  
Oh, we re falling  
Bm F#m G D  
Oh, we re falling

Em Bm  
Storm the gates of Graceland  
F#m Bm  
To make you realize  
Em Bm  
Went back-to-back with Springsteen  
F#m Bm  
You turned and rolled your eyes  
Bm F#m G  
So I told you about McCartney  
Bm F#m G  
That s a heavy name to drop

**Bm**

You say you don t need confirmation

**F#m G**

But I don t know if I can stop

**Em**

**A**

But I can t get you out of my mind

**Em**

**D**

To get you out of my bed

**Em**

**A**

To get you out of my heart

**Bm**

And my head

**Bm F#m G D**

**Bm F#m G D**

Oh, we re falling

**Bm F#m G D**

Oh, we re falling

**Bm F#m G D**

Oh, we re falling

**Bm F#m G D**

Oh, we re falling

**Bm F#m G D**
