Verse 1:

F **F** **Am Am**
To the centre of the city where all roads meet, waiting for you.
F **F** **Am Am**
To the depths of the ocean where our hopes sink, searching for you.
F **F** **Am Am**
Well, I was moving through the silence without motion, waiting for you.
F **F** **Am Am**
In a room without a window in the corner, I found truth.

Verse 2:

F **F** **Am Am**
In the shadowplay acting out your own death, knowing no more.
F **F** **Am Am**
As the assassins all grouped in four lines, dancing on the floor.
F **F** **Am Am**
And with cold steel odour on their bodies made a move to connect.
F **G** **Am Am**
I could only stare in disbelief as the crowds all left.
