

The What It Was
The Killers

[Intro] E C#m G#m A B

E C#m G#m A B
I drove through the desert last night
E C#m G#m A B
I carried the weight of our last fight
E C#m G#m
Elvis singing don?t be cruel? and I wonder if you feel it too.
A B
It?s like we?re going under

C#m F#m G#m
Somewhere outside the lonely Esmeralda County line
A B
The question of my heart came to my mind

A E
If I go on with you by my side
C#m B B A
Can it be the way it was when we met?
E B
Did you forget all about those golden nights?

E C#m G#m A B
Maybe a thief stole your heart
E B C#m
or maybe we just drifted apart
A B E C#m
I remember driving in my daddy?s car to the airfield
G#m A B
Blanket on the hood, backs against the windshield

C#m F#m G#m
Back then this thing was running on momentum, love and trust
A B
That paradise is buried in the dust

A E
If I go on with you by my side
C#m B B A
Can it be the way it was when we met?
E B
Did you forget all about those golden nights?

Sometimes a dream, it don?t come true

(**A C#m B**)
(**A E B**)
