

Under The Gun
The Killers

Hey

This is a B side of the first time Somebody Told Me was released. Its one of my favourite songs, better than alot of there album stuff I feel. Sorry this is quite basic, I just like the song & wanted some way of playing it:

Capo on the 1st Fret

Verse 1:

She s got her halo and wings hidden under his eyes
But shes an Angel for sure, She just can t stop telling lies
But it s too late for his love,Already caught in a trap
His angel s kiss was a joke, And she is not coming back

Pre-Chorus

Because heaven sends and heaven takes
Crashing cars in his brain
Keep him tied up to a dream
And only she can set him free
And then he says to me

Chorus:

Kill me now, Kill me now, Kill me now, Kill me now!
Kill me now, Kill me now, Kill me now, Kill me now!

Verse 2:

Yeah she s got a criminal mind, He s got a reason to pray
His life is under the gun, He s got to hold every day
Now he just wants to wake up, Yeah just to prove it s a dream
Cause shes an angel for sure, But that remains to be seen
