

A **C#m** **F#**
they have a special interest in your career.

D **E**
They wanna help you to grow,

A **E**
and then syphon all your dough.

Bm
Why don t you find out for yourself?

D **A**
Then you see the glass, hidden in the grass.

E
You ll never believe me, so

Bm
why don t you find out for yourself?

D
Sick down to my heart,

well that s just the way it goes.

C#m **F#** **D**
Some men here,

A **C#m** **F#**
they know the full extent of your distress.

D **E** **A**
They kneel and pray and they say:

E
Long may it last.

Bm
Why don t you find out for yourself?

D **A**
Then you ll see the glass, hidden in the grass.

E

Bad scenes come and go,

Bm

for which you must allow.

D

Sick down to my heart,

well that s just the way it goes.

E

Don t rake up my mistakes.

Bm

I know exactly what they are.

D

And what do you do?

A

Well, you just sit there.

E

I ve been stabbed in the back

Bm

so many, many times.

D

I don t have any skin,

but that s just the way it goes.
