

**Baby Says**  
**The Kills**

*verse 1*

**C**  
Baby says she s dying to meet you  
**G**  
Take you off and make your blood hum  
**F**                      **G**  
And tremble like the fairground lights

*verse 2*

**C**                                      **G**  
Baby says if ever you see skin as fair  
                                         **F**  
Or eyes as deep and as black as mine  
                 **G**  
I ll know you re lying

**C**                                      **Am**  
Baby says oh how love romance I ll get  
                                         **F**  
From all your sleeping dogs you felt of God  
                 **G**  
I ll get one yet

*verse 3*

Baby says for all I ve forsaken  
Make something of all the noise  
And the mess you re making  
And all the time s it s taken

*verse 4*

Baby says there s death in these silver curls  
That break up in jails  
Send you diving for pearls  
Without a care in the world

*Verse 5*

Baby says she's dying to meet you  
Take you off and make your blood hum  
And tremble like the crumball lights

*Chorus*

Baby says oh how love romance I'll get  
From all your sleeping dogs you felt of God  
I'll get one yet
