**F** **Dm**  
you can hold on but i wouldn t waste your time

**Gm** **Bb**  
I ve stood in a thousand street scenes  
**Gm** **Bb**  
just around the corner from you  
**F** **Eb**  
on the edge of a dream that you have  
**F** **Dm**  
has anybody ever told you, it s not coming true?
