

Black Balloon
The Kills

Am **C**
Elevator straight into my skull
Am **C**
the escalator rises as it falls
G **F**
i swear our jet is crashing in my mind
G **Em**
you can hold on but i wouldn t waste your time

F **Am**
Farewell my black balloon
F **F7M**
Farewell my black balloon

Am **C**
I ve stood in a thousand street scenes
Am **C**
just around the corner from you
G **F**
on the edge of a dream that you have
G **Em**
has anybody ever told you, it s not coming true?

F **Am**
Farewell my black balloon
F **A**
Farewell my black balloon

A **G** **D** **A**
Ah ah ah ah - ah ah ah ah - ah ah ah ah ah - ah ah ah ah x2
