

Dead Road 7  
The Kills

*Verse*

C#5            E5            F5  
This dead road leads down  
C#5            E5            F5  
To that dead road and back  
C#5            E5            F5  
To the road where the oldest road  
C#5                    E5            F5  
Met the first dead road that cracked  
C#5                    E5            F5  
Made the second and curved the third  
C#5                    E5            F5  
Forked the forth and said to the fifth  
C#5            E5            F5  
If you walk just a couple of miles  
C#5            E5            F5  
You re gonna come across the sixth, the sixth, the sixth  
C#5    E5    F5  
It runs into a ditch

Bb5                    F5  
Dead road seven is a bitch  
Bb5                    F5  
Dead road seven is a bitch  
Bb5                    F5  
Floating belly flush  
Bb5                    F5  
Floating belly up, up, up, up

Go down there if you wish
