

**Doing It To Death**  
**The Kills**

*Verse*

**Bbm C# F**  
Baby save it, we re wasted  
**F# F**  
I know we gotta slow it down  
**Bbm C# F**  
But when the waves come, you face them  
**F# F**  
And you know we can t stop it now

**Bbm C#**  
Heads up we re in a dead club  
**F# F**  
Put your hands up and do your dipsy and dropsy  
**Bbm C#**  
And line up, we re hanging up  
**F# F**  
We re double sixing it, night after night  
**Bbm C# F F#**  
Doing it to death

*Verse*

**Bbm C# F**  
Baby lately the plans we re making  
**F F#**  
Are the shape of things that never come  
**Bbm C# F**  
Hold your horses, the lights up  
**F F#**  
Can t feel it coming back around

**Bbm C#**  
Listen up, it s picking up  
**F# F**  
Put your hands up and do your kicksy and lipsy  
**Bbm C#**

Your times up, we re hanging up  
F#  
We re double sixing it, night cause tonight  
Bbm C# F F#  
We re doing it to death

*Outro:*

F# Bbm F#  
We re double sixing it night after night after night  
Bbm C# F F#  
Doing it to death
