We ain t never done

As the bus drove over London Bridge the river shone so bright
You leant in and kissed my cheek I held your cold hand tight
In my head Bob Dylan sang about revolution in the air

And we danced right on through the night as if we were somewhere

So let s steal a car
Hot-wire, crow-bar
And chase the sun
We re on the run
We ain t never done

F# **C#** **F#**
We know nothing lasts forever
F# **C#** **F#**
Now all the clubs have been shut down
F# **C#** **F#**
Let s pack our bag and leave forever
F# **C#** **F#**
There s nothing for us in this town

So let s steal a car
Hot-wire, crow-bar
And chase the sun
We re on the run
We ain t never done
