Weâ€™ll walk through the city at night,  
C#min  
And talk about what holds no relevance,  
**D** **E**  
Swaying and stumbling with my arm around yours,  
  
I can see pink elephants,  
**A**  
And the smell of kebab meat and sausage in batter,  
C#min  
Will always remind me of you,  
**D** **E**  
In the chip shop at the end of the night,  
  
Making sure I get some food,

So kiss me underneath this lamppost light,  
**D**  
I know it smells of piss but  
**E**  
You look beautiful tonight,

If I had the money weâ€™d be in a cab,  
  
Not waiting for this bloody bus,  
**D**  
But Iâ€™ll hold you tight so you donâ€™t get cold,  
**E**  
Youâ€™re never one to fuss,  
**A**  
I kiss you after youâ€™ve thrown up in the gutter,  
C#min  
Iâ€™d do anything for you,
