

A Little Bit Of Emotion
The Kinks

[Verse]

G **D**
See all the people
C **D**
With hatred in their eyes
G **D**
I can't help thinking that
C **D**
It's only a disguise
G **D**
Cause underneath that core
Em
There's got to be more
C **D**
Than what we realize

[Verse]

G **D**
Maybe they're scared
C **D**
To let the inside out
G **D**
Maybe they're afraid to
C **D**
Show what they're all about
G **D** **Em**
So they put on a heavy front and hope that no one else
C **D**
Can work them out

[Verse]

G **D** **C** **D**
Look at that lady dancing around with no clothes
G **D**
She'll give you all her body
C **D**
That's if you've got the dough
G **D**
She'll let you see most
Em
Anything but there's one thing
C **D**
That she'll never show

G **D** **C** **D**
And that's a little bit of real emotion

G **D** **C** **D**
A little bit of true emotion
G **D** **Em**
In case a little bit of emotion
C **D**
Gives her away

[Chorus]

C
People learn their lines
Em
And they act out their part
Am
Then they talk on cue
G
But it s got no heart
C
It s all on the surface
Em
And it s all contrived
Am
They re scared to come out
C **D**
Somehow they ve got to survive

[Verse]

G **D**
Look at that looney
C **D**
With a smile on his face
G **D**
He knows no shame
C **D**
And feels no disgrace
G **D**
He s got a look in his eyes
Em **C** **D**
That makes it seem that he s from outer space

[Verse]

G **D** **C** **D**
Maybe that looney knows what it s all about
G **D** **C** **D**
He s got something to say but he can t spit it out
G **D** **Em C** **D**
He s unco-ordinated so we shut him out

{Outro]

G **D** **C** **D**
In case he shows a little bit of emotion
G **D** **C** **D**
A little bit of real emotion
G **D** **Em**

We re afraid to see a bit of emotion
