

**All Of My Friends Were There**  
**The Kinks**

**F** **Bb**  
My big day, it was the biggest day of my life.

**Gm** **F**  
It was the summit of my long career,

**F** **Bb**  
But I felt so down, and I drank too much beer,

**Gm** **Bb**  
And my manager said that I should not appear.

**F** **Bb**  
I walked out onto the stage and started to speak.

**Gm** **F**  
The first night I've missed for a couple of years,

**Gm** **Bb**  
I explained to the crowd and they started to jeer,

**F** **Bb**  
And just when I wanted no one to be there,

**F7** **Bb Bb/A Gm**  
All of my friends were there.

**Gm/F** **Eb** **Eb/D Cm7 Cm7/Bb**  
Not just my friends, but their best friends too.

**A** **A7/G** **D7/F#** **G** **C7**  
All of my friends were there to stand and stare,

**C7** **F7** **Bb Bb/A Gm**  
Say what they may, all of their friends need not stare.

**Gm/F** **Eb** **Eb/D Cm7 Cm7/Bb**  
Those who laughed were not friends anyway.

**A7** **A7/G** **D7/F#** **G** **C7**  
All of my friends were there to stand and stare.

**F** **Bb**  
Days went by, I walked around dressed in a disguise.

**Gm** **F**  
I wore a mustache and I parted my hair,

**F** **Bb**  
And gave the impression that I did not care,

**Gm** **Bb**  
But oh, the embarrassment, oh, the despair.

**F** **Bb**  
Came the day, help with a few last glasses of gin,

**Gm** **F**  
I nervously mounted the stage once again,

**F** **Bb**  
Got through my performance and no one complained,

**Gm** **F**  
Thank God I can go back to normal again.

**F7** **Bb** **Bb/A** **Gm**  
I went to that old cafe,  
**Gm/F** **Eb** **Eb/D** **Cm7** **Cm7/Bb**  
Where I had been in much happier days,  
**A** **A/G** **D7/F#**  
And all of my friends were there,  
**G** **C7**  
And no one cared.

**C7** **F7** **Bb** **Bb/A** **Gm**  
Say what they may, all of my friends were there.  
**Gm/F** **Eb** **Eb/D** **Cm7** **Cm7/Bb**  
Not just my friends, but their best friends too.  
**A** **A/G** **D/F#**  
All of my friends were there,  
**G** **C7**  
Now I don't care.

Not just my friends, but their best friends too  
All of my friends were there, now I don't care
