

Animal In The Zoo
The Kinks

Inst Intro

A D A D E A

You re just an animal in the zoo

Sittin round feelin persecuted and abused

You re locked up but I m on the loose

But I can t quite tell who s looking at who

(Chorus)

Because I m an animal too

But you re locked up in the zoo

And you look at me while I look at you

God made the heaven and the deep blue sea
Man picked the flowers and he pulled up the trees
God made the Moon and the Rain and the Sun
Man made the money and the bombs and the guns

So we re all animals...

I m a prisoner but I got no cage
I m locked up but I got no chains
The good guys loose and the bad guys win
That s why you re looking out and I m looking in

Because we re all animals....
