Just come back where I came from,  
Looks the same as something s wrong.  
And all my friends that used to be,  
Have gone and turned their backs on me.  
Everyone s got different views,  
Now I m all shook up and all confused.

(A)  
East is West, left is right,  
Up is down, and black is white,  
Inside-out, wrong is right,  
It s back to front and I m all uptight.

I ve just come back from fantasy,  
Right back to reality.

Stayed away too long but now I ve found,  
My world is turning upside-down.  
I don t fit in but I don t stand out,  
I should stay cool but want to shout.

(A)

Inside-out, wrong is right,  
It s back to front and I m all uptight.
