

**Bright Lights**  
**The Kinks**

Intro: **F G F G**

**Am** **G**  
Time s running out just as fast as it can She s leaving me cold I don t  
understand

**Am** **G**  
**C**  
Hearts beating hard on the edge of the floor Gotta kill this pain cause I can t  
take no more

**G** **Dm** **G** **C**  
Bright Lights on a cold night If it feels good then it s alright

**Am** **G**  
Thinking about when we first met All these memories kill me get them out of my  
head

**Am** **G**  
The flashing lights of the cities roar Make my mind a blurr Who s knocking on  
the door?

**Am** **G** **C**  
Nothing s for keeps Can t get no sleep! My future is late Guess I ll find it  
next week

**G** **Dm** **G** **C**  
Bright Lights on a cold night If it feels good then it s alright

**G** **Dm**  
And she s up there in the spotlight

**F** **G**  
See her there in a New York fashion show

**F**  
See the freedom in her eyes Could ve chose a better time

**G** **G**  
For it all to go wrong

Solo **Am G** x 2

**Am** **G**  
Another night and my life is my own But it scares me half to death

**Am** **G**  
I turn on the Tv, I see her favourite shows oh I can t get her out off my head

**Am** **G**  
Out in the bars in the village with friends You can buy me a drink

**C**  
But please don t mention her name

**G** **Dm** **G** **C**  
Bright Lights on a cold night If it feels good then it s allright

**G** **Dm** **G** **C**  
Shes up there in the spot-light Now it s over and it s goodnight
