When  I  was  small  I  believed  in  Santa  Claus
                     *C#
 Though  I  knew  it  was  my  dad
F#
And  I  would  hang  up  my  stocking  at  Christmas
                          C#
Open  my  presents  and  I d  be  glad
Ebm                          Bbm
But  the  last  time  I  played  Father  Christmas
Ebm                          Bb7
I  stood  outside  a  department  store
F#
G#  gang  of  kids  came  over  and  mugged  me
                          C#
They  knocked  my  reindeer  to  the  floor
          B       F#        B              F#
And  said  Father  Christmas  give  us  some  money
B           F#                  B        C#
Don t  mess  around  with  those  silly  toys
        B          F#          B                F#
We ll  beat  you  up  if  you  don t  hand  it  over
B                 F#               B            C#
We  want  your  bread  so  don t  make  us  annoyed
                     B       C#
Give  all  the  toys        -
                        F#    B  C#   F#  B  C#
to  the  little  rich  boys

F#
Don t  give  my  brother  a  Steve  Austin  outfit
                          C#
Don t  give  my  sister  a  cuddly  toy
        F#
We  don t  want  a  jigsaw  or  monopoly  money
                       C#
We  only  want  the  real  Macoy
B        F#          B              F#
Father  Christmas  give  us  the  money
B                  F#              B            C#
We ll  beat  you  up  if  you  make  us  annoyed
B        F#          B                F#
Father  Christmas  give  us  some  money
B             F#                   B              C#
```

Ebm   **Bbm**

Ebm   **Bb7**

F#
And if you ve got one I ll have a machine gun
                              C#
So I can scare all the kids on the street
