

Misfits

The Kinks

you ve been sleeping in a field but you look real rested  
you set out to outrage but you can t get arrested  
you say your image is new but it looks well tested  
you re lost without a crowd yet you go your own way

you say your summer has gone  
now the winter is crawlin in  
they say that even in your day  
somehow you never could quite fit in  
though it s cold outside  
I know the summer s gonna come again  
because you know what they say  
every dog has his day

you re a misfit, afraid of yourself so you run away and hide  
you ve been a misfit all your life  
why don t you join the crowd and come inside  
you wander round this town like you ve lost your way  
you had your chance in your day  
yet you threw it all away  
but you know what they say  
every dog has his day

look at all the losers and the mad eyed gazers  
look at all the loonies and the sad eyed failures

**D**                      **E**                      **A E**      **F#m**  
they ve given up living    cos they just don t care

**D**  
so take a good look around  
the misfits are everywhere

(instrumental like verse: **A E D**, Ray sings    la la la la la )

**A**                      **E D**  
this is your chance, this is your time

**A**  
so don t throw it away

**E**      **D**  
you can have your day

**E**  
cause it s true what they say

**F#m**  
every dog has his day

(repeat first **Dchorus**)

you re a misfit, afraid of yourself so you run away and hide  
you ve been a misfit all your life  
but why don t you join the crowd and come inside  
you wander round this town like you ve lost your way  
you had your chance in your day  
yet you threw it all away  
now you re lost in the crowd  
yet, still go your own way

it ends in **F#m**
