Intro : **G# C# G# G# C# G#**

**G#**  
Have you seen this face?  
**C# G#**  
Does it ring a bell?  
**G# Eb**  
Does it strike a chord somewhere in your mind?  
**G#**  
And there s a big reward,  
**C# C#/B C#/A C#/G Eb**  
If you help us solve this crime,  
**G# F# C# Eb**  
And if you recognize this face, dial nine.

**G#**  
Have you seen this face?  
**C# G#**  
Dig deep in your mind.  
**G# Eb**  
Has anybody seen that little girl of mine?  
**G#**  
She was always a rover,  
**C# C#/B C#/A C#/G Eb**  
But I m afraid to say she s strayed  
**F# C# Eb**  
Too far this time.

**C# F# C#**  
Now I m sitting at home, staring at the wall.  
**C# G#**  
Waiting for the missing person to call.  
**C# Bbm**  
Waiting for the message I m dreading to hear.  
**F# C#**  
Waiting to confirm my darkest fears.  
**C#**  
She s a missing person, I wish I could see  
**C# G#**  
All of the places she might be.  
**C# Bbm**  
Maybe I stopped her from being free.  
**F# C#**  
Maybe there was something missing in me.

**G# C# G#**  
Wherever she is, I hope she s doing fine,

**G#**

**Eb**

But I wish that she would phone or drop us a line.

**G#**

**Fm**

Till then I've got nothing to ease my mind,

**C#**

**G#**

And I'm thinking about her all the time.
