

**Misty Water**  
**The Kinks**

**C**            **G/B**        **Bb**                **F/A**  
By the town of Straight and Narrow,  
**C**                **G/B**            **Bb**        **F/A**  
There s a dark and misty place.  
**Bb/D**    **F/C**            **Gm/Bb**    **F/A**  
Everything is hazy,  
**C**                **G/B**        **Bb**    **F/A**  
So the people are afraid.

**C**                **G/B**        **Bb**                **F**  
All except Maria s daughters,  
**C**                **G**                **Bb**        **F**  
Who believe in misty ways.  
**Bb**        **F**                **Gm**    **F**  
Everything is lovely,  
**C**                **G**                **Bb**        **F**  
In a misty morning glaze.

Rock the bass  
**F**  
I like misty water,  
          **C7**  
I like fog and haze.

Anne Maria and her daughters,  
Swell...  
They like misty water.

**F**  
I like misty water,  
          **C7**  
I like fog and haze.  
Anne Maria and her daughters,
