People take pictures of the summer
Just in case someone thought they had missed it
Just to prove that it really existed
People take pictures of each other
And one moment will last them forever
At the time when they mattered to someone

CHORUS #2:

A picture of me when I was just three
Sat with my ma by the old oak tree
How I love things as they used to be
Don't show me no more please

La la la la la...
