

Strangers

The Kinks

C **F** **G**
Where are you going I don t mind
C **F** **G**
I ve killed my world and I ve killed my time
C **F** **G**
So where do I go what do I see
C **F** **G**
I see many people coming after me
C **F** **E**
So where are you going to I don t mind
Am **Am/G** **F** **C**
If I live too long I m afraid I ll die
F **C** **E**
So I will follow you wherever you go
Am **Am/G** **F** **C**
If your offered hand is still open to me

CHORUS:

E **E7** **Am** **F**
Strangers on this road we are on
C **G** **C** **C/B** **F** **C** **G**
We are not two; we are one

C **F** **G**
So you ve been where I ve just come
C **F** **G**
>From the land that brings losers on
C **F** **G**
So we will share this road we walk
C **F** **G**
And mind our mouths and beware our talk
C **F** **E**
Till peace we find tell you what I ll do
Am **Am/G** **F** **C**
All the things I own I will share with you
F **C** **E**
And if I feel tomorrow like I feel today
Am **Am/G** **F** **C**
We ll take what we want and give the rest away ...

C **F** **G**
Holy man and holy priest
C **F** **G**
This love of life makes me weak in my knees
C **F** **G**
And when we get there make your play
C **F** **G**

Cos soon I feel you re gonna carry us away

C F E

In a promised lie you made us believe

Am Am/G F C

For many men there is so much grief
