If you move a little closer  
I ll tell you what s my aim  
It s every evening on a big screen  
Hosted by celebrities  
I had a dream about deleting and killer whales  
Is it the feeling of your body  
Or is it the feeling of mine

When we come home, we want it quiet and calm  
We want you to be around  
When we come home, we pull the curtains down  
Making sure that the TV is on
