The Knife

Marble House - Karin & Olof Dreijer/Jay-Jay Johanson
Dm C Gm7 F

Dm **A**
I cut your nails and comb your hair
A **Dm**
I carry you down the stairs
Gm **C** **Dm**
I wanted to see right through from the other side
Gm **C** **Dm**
I wanted to walk a trail with no end in sight

Dm **C**
The moment we believe that we have never met
Gm7 **F**
Another kind of love it s easy to forget
Dm **C**
When we are all alone then we do both agree
Gm7 **F**
We have a thing in common this was meant to be

Dm **A**
You close my eyes and soothe my ears
A **Dm**
You heal my wounds and dry my tears
Gm **C** **Dm**
On the inside of this marble house I grow
Gm **C** **Dm**
And the seeds I sow will grow up prisoners too

Dm **C**
The moment we believe that we have never met
Gm7 **F**
Another kind of love it s easy to forget
Dm **C**
When we are all alone then we do both agree
Gm7 **F**
We have a thing in common this was meant to be
