**Last Call**
**The Knock Knocks**

[Intro] **E  G  A  E  G  E  D  B  A**

[Verso]

**E                        G**
I hate to pick up the phone
                         **A**
Just to call you to know If we re still us
**E            G                E        D            B  A**
So just this time don t let it ring and talk to me
**E               G                    A**
 Cause I need and end or a brand new start
**E    G                E   D  B  A**
I get tired of to be continued

[Refrão]

**B                C#          D#**
 Please tell me we are two now
**B            C#            D#**
 Don t let me waiting for you
**B        C#          D#**
 Free me  from this doubt
**B          C#          D#**
 Just don t leave me waiting

[Verso]

**E**
Beep beep beep
**G                    A**
I can t listen to this anymore
**E            G                E   D  B  A**
This is the last call for us
**E            G                    A**
So come on, take this flight to nowhere
**E            G          E  D  B  A**
 I m already there anyway
