

**Do You Love Me Still**  
**The Kooks**

[Intro] E - F#m - C#m

E F#m C#m  
I have thought that you have come back lately  
E F#m C#m  
to take my soul away from me  
E F#m  
cause when i see you  
C#m  
you rip my heart out  
E F#m C#m  
but all the same you re not to blame  
E F#m C#m  
baby baby i love you still

E F#m C#m A  
But i need your heart beating next to my heart  
C#m B  
in love i am  
E F#m C#m A  
i need your heart beating next to my heart  
C#m B  
in love i am

E F#m C#m  
Do you remember how i met you child  
E F#m C#m  
i was down and i fell for you completely  
E F#m C#m  
when i wanted your heart and  
E F#m C#m  
you didn t want me now you did  
C#m  
but now you did

E F#m C#m A  
But i need your heart beating next to my heart  
C#m B  
in love i am  
E F#m C#m A  
i need your heart dancing next to my heart  
C#m B  
in love i am

E - F#m - C#m  
Baby do you love me still  
E - F#m - C#m

cause i miss you

**E**            **F#m**

i miss you

**C#m**

baby

**C#m**            **A - F#m - E**

i miss you

I think it sounds pretty like the song, so enjoy it (:
