

**Fk The World Off**  
**The Kooks**

warning: this tab is not perfect, i just tried to find out the chords in about 5 minutes.. but it doesn't sound bad, though!

capo on 2nd fret!

**E.. E G A E G A G A Hsus4 x2 E**

Yeah,

**E E G A**

All I wanna do is get to you,

**E G A G A Hsus4**

Get to you, get to you,

**E E G A**

**E G A G A Hsus4**

Let me do that for you,

it's all the same thru all verses!!

What me tow the line,

Back home, get back home, just for you,

I think I heard someone on London streets,

People to meet, people like you,

**D**

And there will be waterfalls,

**A**

For you to break through,

**D**

If you so choose,

**G**

**A** (change between **Asus4**

and **A** very fast)

I know you think too much to lose,

So let me fuck the world off just for you,

Let me do that for you,

I know that I could make you so pleased,

Pleased to be, to be with me,

I feel like I'm on the end of the line,

End of the line just to get,

Someone on London streets to tell,

You my thoughts, just to you,

D

And there will be waterfalls,

A

For you to break through,

D

If you so choose,

G

C6

A

(change between

**Asus4** and **A** very fast)

I know you think too much to lose,

So let me fuck the world off just for you,

Let me do that for you

that was it! have fun, and sorry cause its not perfect (;
